

N
A
M

The image features a stylized logo composed of three letters: 'N', 'A', and 'M'. The letter 'N' is positioned in the top-left corner, the letter 'A' is centered within a square frame, and the letter 'M' is in the bottom-right corner. The letters are white with a subtle 3D effect, set against a background of three concentric squares that create a tunnel-like perspective. The squares are rendered with a gradient from light to dark, giving the impression of depth. The overall design is clean and modern.
