

2023 NAM Undergraduate MATHFest

SAVE THE DATE: SEPT 22-24, 2023

Hosted by Clark Atlanta University in Atlanta, Georgia

National Association of Mathematicians (NAM) Undergraduate MATHFest is a three-day meeting, held annually to encourage students to pursue advanced degrees in Mathematics and Mathematics Education. The conference is focused on undergrads from Historically Black Colleges and Universities (HBCUs), although ALL are welcome.

Conference includes:

- Student Talks (undergraduate and graduate)
- Poster Presentations
- J. Ernest Wilkins Lecture
- Problem Time
- Exhibition/Graduate School Fair
- Graduate Student Lightning Talks (New Feature)

Thinking About Presenting (click on the text)!!!
